Established black out period will be August 16 – September 20.

- No route changes will be made during this time. Any students added to a route during the "black-out" must go to an existing stop.
- After September 20th, routes will be re-evaluated and adjusted as needed.

The following rules must be observed for the safety of all passengers:

- ✓ Follow all pandemic guidelines.
- ✓ Follow the directions of the driver, teacher and/or bus aide the first time they are given.
- ✓ Always sit in your assigned seat facing forward.
- ✓ Respect others; no hitting, pushing, fighting, swearing, use of rude gestures or gang signs on the bus or at the bus stop.
- ✓ Keep all objects and body parts (head, arms, legs) inside the bus and in your assigned seat at all times.
- ✓ Food, drinks, drugs, alcohol, tobacco, and weapons are not allowed.
- ✓ Destruction of property or tampering with school bus equipment will not be tolerated.
- ✓ Failure to follow these rules may result in revocation of bus privileges.

I have read the rules and understand there may be consequences up to and possibly removal of ridership privileges.
